This diagram shows an exploded perspective view of a multi-layered rectangular frame assembly. The components are labeled with reference numerals: 12 (a small rectangular block with a circular feature), 14 (a rectangular block with a circular feature), 16 (a rectangular block with a circular feature), 18 (a rectangular block with a circular feature), 20 (a rectangular block with a circular feature), 22 (a rectangular block with a circular feature), 24 (a rectangular block with a circular feature), 26 (a rectangular block with a circular feature), 28 (a rectangular block with a circular feature), 30 (a long, thin rectangular block), 32 (a rectangular block with a circular feature), 34 (a rectangular block with a circular feature), 36 (a rectangular block with a circular feature), 38 (a rectangular block with a circular feature), 40 (a rectangular block with a circular feature), 42 (a rectangular block with a circular feature), 44 (a rectangular block with a circular feature), and 46 (a rectangular block with a circular feature). The assembly is shown in a disassembled state, with the components arranged in a staggered, overlapping manner to illustrate their relative positions and how they fit together.
